

# Semester 1 Final Exam Project

## Graphic Design I, II and III

Mr, Butera

Typeset your first and last name fifteen times, each in a different typeface, using roman fonts only (upright, not italic). Variations should include at least one serif, sans serif, Old Style, Transitional, and Modern. Notice the personality that each typeface carries. Underneath each of your typed name say how you see the personality or change in how your name may be perceived.

Design a flier for your lost pet it can include an image of the missing pet, but place emphasis on the typography so the flier provides a colorful description and relays the information. Black and white only. Present the designed on an 8.5" x 11" page.
